## Education

Central University of Rajasthan	2025
B.Tech in Biomedical Engineering	CGPA: 7.00(Till 4th sem)
Board of Secondary Education,	2020
Rajasthan(12th class)	Percentage:80.00
Board of Secondary Education,	2018
Rajasthan(10th class)	Percentage:71.67

## About

I am a Biomedical Engineering student with a strong passion for medical instruments and technologies. My academic journey has provide me with in depth knowledge of various medical instruments such as X-ray, CT scan, Ultrasound, ECG, EEG, EMG, and biomedical image processing .I possess, as well as expertise in biosensors and their application.

## TECHNICAL SKILLS AND INTERESTS

Medical instruments : Ultrasound, ECG,EMG, EEG,CT scan ,MRI, X-ray and basic 3-D Printing  
languages : C,PYTHON  
Soft Skills : Team work, Leadership, Time management, Problem solving, Communication & Networking  
Coursework : Biosensor, Bio instrumentation, Medical Imaging, Tissue Engineering, Signal System, Principle of Image processing  
Area interest : medical Instrumentation  
Software knowledge : Multisim, , Matlab

## LANGAUAGES

English  
Hindi

## HOBBIES

Badminton  
Criket  
Competitive  
Programming  
Travel New Place

## Achievements

Achieved Certificate Of participation on Emerging trends and Challenge in Biomechanics And Biomaterials(STTP PROGRAM) From NIT RAIPUR
